

INTERNATIONAL TRAINING CAMPS

We maintain relationships with coaches from clubs all around the world in order to provide high quality training camps and exchanges to students of all levels.

We have previously travelled to Korea, Norway, Poland, and Barbados. These camps are great for a range of reasons, they're not always just about training.

We love them and so do our members so we will definitely be organizing more in the future. Please get in touch to find out what's next on the plan.
